Our ESG Goals & Alignment to U.N. Sustainable Development Goals

Health & Safety

- Commit to achieve a zero-harm workplace
- Expand availability of well-being and resilience services to all colleagues worldwide through an Employee Assistance Program by 2023
- Educate all field professionals and subcontractors annually on life-saving Cardinal Rules

Environment & Impact

- Achieve a 50% reduction of Scope 1 and Scope 2 emissions by 2030
- Reach carbon neutrality for factory electricity by 2030
- Achieve 100% factory eligibility for zero-waste-to-landfill certification by 2025
- Complete ISO 14001 certification for all factories by 2025

- Achieve gender parity in our executive ranks by 2030
- Increase colleague favorability for the inclusive culture category in the company's engagement survey by 4 percentage points by 2025
- Direct 50% of total global giving to STEM programs by 2025
- Impact 15,000 students globally through STEM-focused programming across the learning and vocational training continuum to improve livelihoods and help build the workforce of tomorrow by 2030
- Dedicate 500,000 colleague volunteer hours in support of vibrant communities, STEM education and social equity efforts globally by 2030

Governance & Accountability

Award at least 20% of U.S. supplier spend annually to diverse suppliers

A Robust Materiality Assessment

At Otis, we are committed to understanding stakeholder concerns and working for the global good of our passengers, customers, colleagues and society. To this end, we recently completed a robust materiality assessment in line with best practices to determine our most critical ESG topics for management, goal-setting and reporting. This effort ensures our ESG strategy is focused and aligned on the topics most important to our business. These topics will inform our ESG reporting moving forward and form the basis for our GRI (Global Reporting Initiative) and SASB (Sustainability Accounting Standards Board) disclosures on the following pages.
