

AMBIANCE

Art in Motion

OTIS

Elements of Ambiance

Otis in collaboration with design curators have introduced a new aesthetic for elevators – Ambiance. A unique play of materials, form, textures and patterns allows the Ambiance aesthetics to breathe life to your elevator space. The distinctive lighting element illuminates the accented materials in a contemporary dance of shadows and light, classic fixtures embody design for longevity and hard edges relent to fluid curves around the cornices. Each of the four distinct looks mesh the modern with select vintage, perfectly lending each space a story with a lasting impression. We call this Art in Motion.

CAR CEILINGS

HANDRAILS

Ambiance offers you four unique designs, that can blend in or contrast beautifully with your building entryway and lobby. To help you visualize your elevator design, log on to www.otiscreate.com and pick your favorite look.

Natural

The Natural variant of the Ambiance, completes the overall look with a rich matt finish, that make the colours and textures stand out

Type 1 Pattern on Rear

Type 2 Pattern Extends to Side Rear Cornice

Modern

A lustrous glaze, allows for lights to reflect dramatically on surfaces and undulated forms with the Modern variant of the Ambiance

Type 1 Pattern on Rear

Type 2 Pattern Extends to Side Rear Cornice

Radiant Russet

Hues of caramel capture the warmth of light to create a rich inviting cabin.

Built on a legacy of innovation, Otis was founded in 1853 after Elisha Otis invented the elevator safety brake, giving rise to the modern city, transforming how people live and work, and revolutionizing architecture itself. Today, we are the world's leading company for elevator and escalator manufacturing, installation and service. We move 2 billion people a day and maintain more than 2 million customer units worldwide, the industry's largest maintenance portfolio. We can be found in many of the world's most recognizable buildings, as well as the busiest transportation hubs and retail centers – we are everywhere people are on the move. Headquartered in Connecticut, USA, Otis is 69,000 people strong, including 40,000 field professionals, all committed to meeting the diverse needs of our customers and passengers in more than 200 countries and territories worldwide. To learn more, visit www.otis.com and follow us on LinkedIn, Instagram, Facebook and Twitter @OtisElevatorCo.
